NEW ITALIA

DROP AWNING

Toldo telon recto

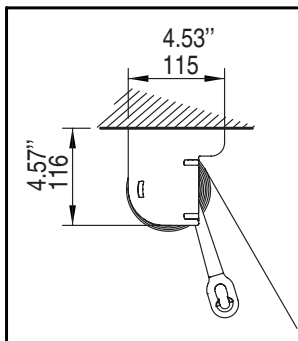

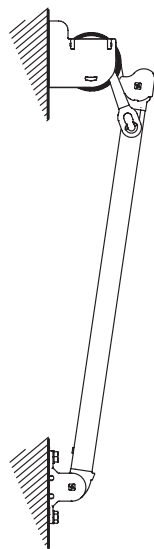

EN NEW ITALIA is an appropriate awning for balconies and window installation with spring arms. Easy and quick installation. An optional cassette is available for fabric protection. Thanks to the arm shape it can be installed inside niche.

ES NEW ITALIA es un toldo de ventana con brazos tensionados. Fácil y rápida instalación, con o sin cofre para la protección de su lona. Gracias a la forma de su brazo se adapta particularmente bien entre paredes.
